

Vendor Application- Funtastic 2012

June 29 - July 2, 2012

Food Vendor Policy

The Funtastic Sports Society's Slo-Pitch & Music Festival is the largest of its kind in Canada. Last year, the Festival drew more than 30,000 attendees over four days. The Food Vendor Area is prominently located on the main site and is a busy and popular part of the Festival.

All food vendor booths must meet the standards under the **BC Health Temporary Food Service Regulation** and must display a valid **BC Temporary Food Concession Permit**. All vendor information will be shared with the Health Department and the Health Inspector may contact you in advance. Concessions **must conform** to BC electrical and building codes **including a valid BC electrical inspection sticker or an inspection certificate posted on the premises**. All vendors must also comply with **BC Fire code required - CAN/ULC 1254 Standard**.

Any vendor failing to comply with the above requirements will not be hooked up and will not receive a refund. Food vendors are also required to carry and supply a copy of \$2 million liability insurance.
