

## 28<sup>th</sup> Funtastic- June 29-July2, 2012

### How to Pick a Schedule for Your Team

Vernon Funtastic has made up the schedule for 200 teams in advance. This schedule is not likely to change, BUT as always check the final schedule on our website before you leave for Vernon and once you arrive, pick up your team package from the team registration booth just outside the Bud Light Beer Gardens. We are a co-ed tournament with 5 girls and 5 guys on the field sanctioned by NSA.

**First to Register and Pay in Full gets their choice of times!** All teams will play a minimum of 2 of their round robin games at DND (main ball fields/beer gardens).

1) Before you register click on Vernon Schedule to see the entire schedule, including the teams that are already registered. Any Team name that still reads A1, A13, B12, etc is still available. Pick a schedule that fits your 4/6 game requirement and your ability level, then look at the game times to find the one that fits your travel schedule. **6 Game Format - Local Teams, we ask that you select a time slot with an early Friday or Saturday start so visiting teams get their first game in.**

2) Once you have found a game slot that fits your needs, click Vernon Registration on the top tool bar. **Page 1 of Registration**

You will see a screen that asks you to fill in all the regular information, name, team rep, etc.

### **Ability Level**

If you are uncertain how to classify your team's ability use the following guidelines, and rate your team on a scale of 1-8 (1=outstanding, 8 = we are here for fun). It is very difficult to assess teams playing ability so we have put a couple of descriptions:

- Ability 1: We play all the time at cash tournaments. Funtastic is NOT for you.
- Ability 2/3: We play together regularly and play good ball. A/B Ball
- Ability 4: We are mostly competitive but borderline recreational. C Ball
- Ability 5: We are tops in our recreational league. Recreational D Ball
- Ability 6: Most of us play ball, we will hopefully we do well. Recreational D/E/F Ball
- Ability 7-8: We play ball infrequently, please don't make us play someone good!

### **Costume Prizes**

We encourage teams to dress in costume. It helps make the tournament fun and we give the top 4 costume teams great prizes for teams in costume. We even have a division with mostly costume teams for those teams that want to play others in costume. Judging will occur during your games.

### **Game Guarantee**

We run 2 tournaments. A 4-game guaranteed (3 Round Robin and 1 Playoff) and a 6-game guaranteed (5 Round Robin and 1 Playoff)

### **Music Passes**

All ball players entering the beer gardens/music festival area require a music pass. You can get a free wristband that allows you into the beer gardens up until 4pm. Check in at the wristband booth.

Music passes are sold to ball players at a discounted price of \$25/player, maximum 18/team. To make things easier at the start of the tournament we ask that teams pre-purchase the passes. If you require more than 18, we offer the early bird retail rate.

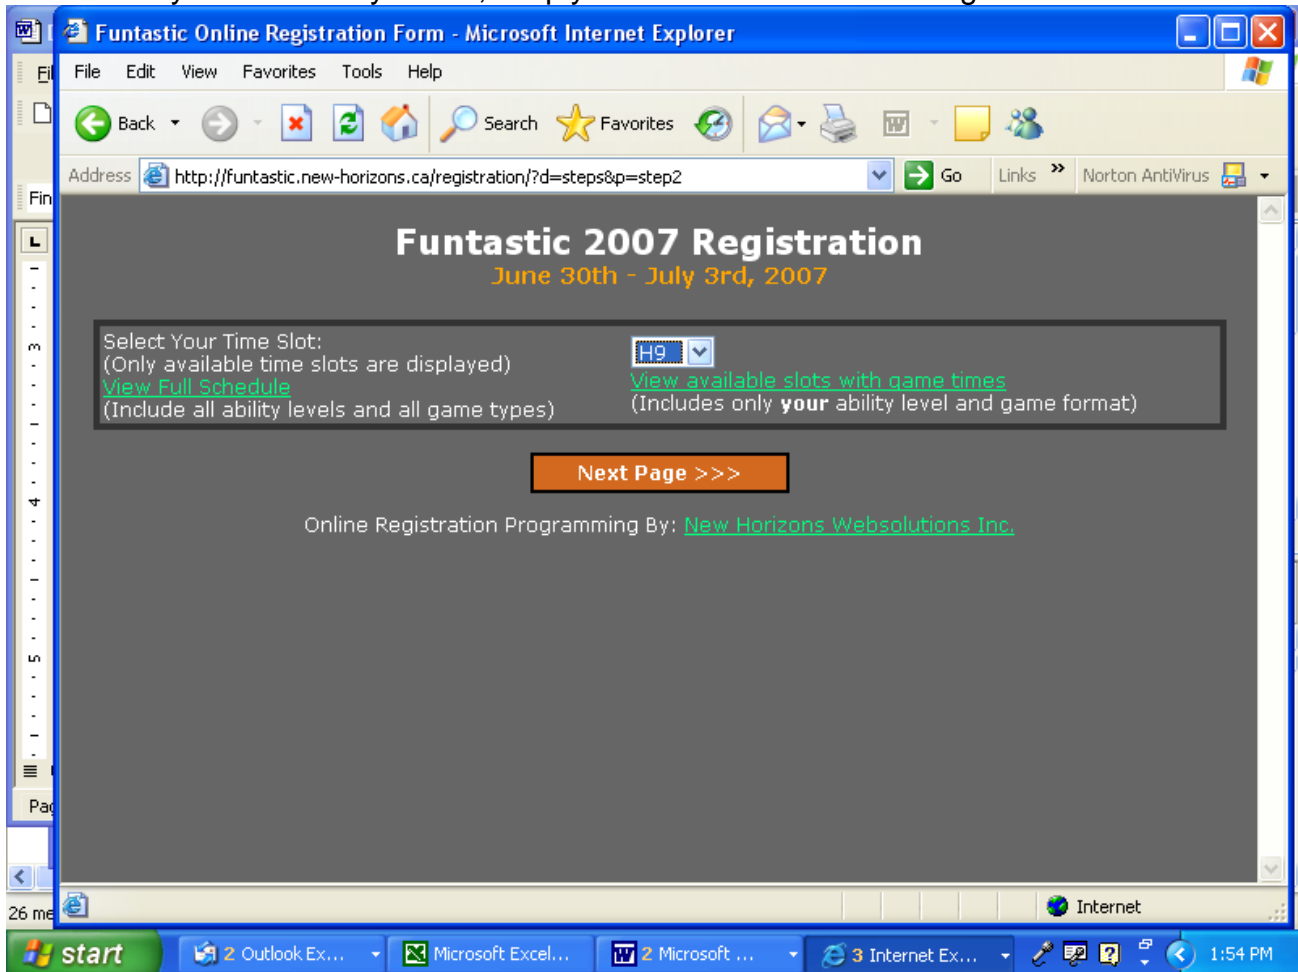

If you purchase too many, we will refund you the money when you arrive and alternatively if you purchase too few, we will give you a chance to purchase additional ones at \$25 each when you arrive.

### Select Your Time Slot

If you have already found a slot you like, simply select it and click Next Page.

Please note if your time slot of preference is not showing, it may have been reserved by another team or you have selected an ability level that is different than the time slot. To check, simply click “View Full Schedule”. This will show you all the time slots that are still available. If it still shows on this list, you need to change your ability level in order to be able to pick the slot.

3) If you don't know what time slot you would like, simply click “View Available Slots With Game Times”. This will give you a game by game listing for all the time slots still available for your game format and ability level. If you don't like what you see, you need to change your ability level and or game format (or register earlier next year). **Local Teams must select a time slot with a Friday game.**

What Next??

Not much, you are now registered, just sit back and laugh at the teams that register late. 2-3 weeks before Funtastic starts we will send you an email confirming many of the tournament details. At that time you will find a complete list of games including which fields you play on posted on our website. Your team packages will be available for pick up when you arrive in Vernon.

Packages can be picked up at the Registration booth starting at noon Friday.

Thank you.
